**ORDER
REGARDING THE APPROVAL OF CHANGES IN DESCRIPTION OF THE
PROCEDURES OF CONTROL AND APPROVAL OF PROJECT ACTIVITY
MONITORING, ACTIVITY AND FINANCIAL REPORTS FINANCED BY GOOD WILL
COMPENSATION FOR THE IMMOVABLE PROPERTY OF JEWISH RELIGIOUS
COMMUNITIES**

February 1, 2018 Nr. 65
Vilnius

I o r d e r to supplement the item 12 of the Description of the Procedures of Control and Approval of Project Activity Monitoring, Activity and Financial Reports Financed by the Good Will Compensation for the Immovable Property of Jewish Religious Communities in wording as follows:

12.3. After taking into account the location of project executor and after estimating the unreasonably large travel costs, related to huge geographical distance of project executor from GWF headquarters GWF can choose not to proceed with planned and unplanned project spot checks. In that case project spot check can be implemented remotely by asking project executor to send the documents related to the project (the justification of expenses and payments, documents proving accounting operations etc.).
